The M-INF is the first compatible ink cartridge available on the market for the Pitney Bowes® DM Infinity Series Digital Mailing Systems. Our M-INF has a 1 year 100% quality satisfaction guarantee. We guarantee that this replacement ink cartridge will meet the highest standards of quality, reliability, and exceptional imprint yields for your Pitney Bowes® mailing machine. Our replacement black ink cartridge was designed and manufactured right here in the U.S.A. to meet the same original specifications and performance standards as the Pitney Bowes® OEM #772-1 ink cartridge.
